Dear Parents, Guardians, and Student-Athletes,

Attached to this letter you will find two fact sheets regarding concussions along with a family sign-off sheet. You should read these and discuss the facts regarding concussions as a family. Additionally you and your family should go to the following website:

<http://www.nfhslearn.com/index.aspx>

and complete a free on-line course providing information regarding symptoms and treatments if a concussion is suspected.

Your completed sign-off sheet **MUST** be returned to the athletic director in order for your son or daughter to participate.
